

# Miss Jamaica

[Jimmy Cliff](#)

Roses are red, violets are blue  
Believe me, I love you  
Let's not be apart 'cause you're the rose of my heart  
And sweet rose, you are my queen  
You're my Miss Jamaica  
My Miss Jamaica  
You're my Miss Jamaica  
I'm crowning you myself  
Although you may not have such a fabulous shape  
To suit the rest of the world  
But you do suit me and that's all I want to know  
I need not know nothing more  
You're my Miss Jamaica  
My Miss Jamaica  
You're my Miss Jamaica  
I'm crowning you myself  
Although you may not have such a fabulous shape  
To suit the rest of the world  
But you do suit me and that's all I want to know  
I need not know nothing more  
You're my Miss Jamaica  
My Miss Jamaica  
You're my Miss Jamaica  
I'm crowning you myself  
'Cause my Miss Jamaica  
Miss Jamaica  
Miss Jamaica
