

Easy Breeze

Clutch

Under dogwood blooms
Knits widow on her loom
Eating peaches and cream
Observe her haunting melody You've got an easy breezy wind at your back, most of the time
If you do not understand very few do so don't feel bad
Easy breezy beautiful colored world, I'm in love with you
R O Y G B I V your colors are a comedy Woman waiting for dawn
There after the tears are gone
Dandelions holding dew
As indigo brightens to blue You've got an easy breezy wind at your back, most of the time
If you do not understand very few do so don't feel bad
Easy breezy beautiful colored world I'm in love with you
R O Y G B I V your colors are a comedy
