

Never Miss the Water (Frantified Club Mix)

Chaka Khan

Never miss the, never miss the
you never miss the water until is goneNever miss the, never miss the
you never miss the water until is goneAll is fair in love boy
When the love is shared
Now you've been acting for some time
Like you just don't care
About meWell my mama used to say
That there would come a day
When fools begin to open up their eyesYou never miss the water
'Til the well runs dry ('til the well runs dry)
Now I have had enough bad love
So I'm telling you goodbye, bye-bye, bye-byeBye- bye, bye-bye (you never miss the water until is gone)You've
been taking me for granted
You even made me cry
And sorry just ain't good enough
Baby not this timeMy mama used to say
That there would come a day
When the truth can no longer be deniedYou never miss the water
'Til the well runs dry ('til the well runs dry)
I have had enough bad love
So I'm telling you goodbye, bye-bye, bye-byeYou never miss the water
'Til the well runs dry ('til the well runs dry)
I have had enough bad love
So I'm telling you goodbye, bye-bye, bye-byeHmm, some of them lives where love has gone, maybe never been
but it's time to move on
Now look at here, you never miss the 'til it's gone yeah
You got step back, 'cause if you don't care
No need to be there
My heart no longer cries out for you, looking for a love that's true
Come on, watcha do, hit me?
C'mon, step back, are you too blind to see
C'mon, step back, you never miss the water 'til it's goneNever miss the
Ever miss the water
'Til the well runs dry ('til the well runs dry)
I have had enough bad love
I'm telling you goodbye, bye-bye, bye-byenever miss the water

I have had enough bad love
I'm telling you goodbye, bye-bye, bye-byeyou never miss the water until is goneYou never miss the water

You never miss the water, 'til the well runs dry
You never miss the water, 'til it's gone
You never miss the water
