You're the One I Want

Jets to Brazil

Blooming black
flower wine,
slashed arms and new cut smiles.
Taller for the falling down,
stronger now without you 'round.The prophecies were realized
when we gave them proper time.
All truths come to light
after lies have had their right.You've grown more beautiful
since you took off.
What can I do? I'm in love with you
and it won't stop.
You're the one I want.
You're the one I want.Cookie crumb and alcohol,
crooked hands the band's on hold
'cause your shoulders make me old
and your concerns, they leave me cold.And it's hard to leave you
but it's harder to believe you.
Harder to believe you
when you smile crooked style.You're grown more beautiful
since you tok off.
What can I do? I'm in love with you
and I can't stop.What's best for everyone is bound to hurt somebody.
What's best for everyone is killing me.
Let me down.
Set me down.
Let me down
easy.Blood crushed from a clock.
I'm not in love but we just talk
and your teeth make me weak
ad you're keeping them from me.
