Another Perfect Day

Danni Carlos

I'm holding on, waiting for your call
It's simple but I can't explain this
I'm sinking down, I feel like I could die
I'm falling off, I don't know why
I still believe it when you say
"It's another perfect day
Another perfect day"
I still believe it when you say
"It's another perfect day
Another perfect day"
So I might try to leave it all behind
I know tomorrow's not so bright now
I'll say, "Goodbye" 'cause nothing good can last
You wear and figure no where fast
When today I don't know how?
To keep it all inside
So I guess I'll let it slide
I still believe it when you say
"It's another perfect day
Another perfect day"
I still believe it when you say
"It's another perfect day
Another perfect day"
Today I don't know why?
I thought that it was real
But I guess it's no big deal
I still believe it when you say
"It's another perfect day
Another perfect day"
I still believe it when you say
"It's another perfect day
Another perfect day"
I don't know how
I don't know how
I don't know how
To let it slide
