

The Waiting One

All That Remains

I am the waiting one it seems
I am the waiting one it seems
Days grow somber quickly
Now how the quiet is release
And I feel so lonelyHow did you think I would feel?
Throw me aside again
How did you think I would feel?
Won't let you hurt me again, nowI'm nothing to you, I can see
Just walk away from me
I'm torn up, but I can't believe
You sat and watched me bleedShe knows the waiting one in me
That I needed to hold you
Still I can smell her, hear her breathe
Feel her body beside meHow long I've waited, waited for you
To come back to hold me
What should I, what should I, what should I do
When I feel so lonely?How could you do this to me?
Betrayed by my closest friend
How could you do this to me?
Won't let you hurt me again nowI'm nothing to you, I can see
Just walk away from me
I'm torn up, but I can't believe
You sat and watched me bleedWhat should I, what should I do?
Well, how long I have waited
What can I, what can I do
When I feel so lonely?How did you think I would feel?
You threw me aside again
How did you think I would feel?
Won't let you hurt me again, nowI'm nothing to you, I can see
Just walk away from me
I'm torn up, but I can't believe
You sat and watched me bleedHow could you do this to me?
Betrayed by my closest friend
How could you do this to me?
I won't let you hurt me againI am the waiting one it seems
