Sodium Chloride

Plumtree

Shining bright when the moon's on me
As i walk below its light
I'm a person who's afraid of the dark
But i'm not scared tonight
And i'm glad that you're not with me
Yes i'm glad that you're not with meHopefully i'm looking satisfied
But i won't wait around to die
And if you think i'll stick around for you
You've got something too
Do you think there was there something i wanted to say
I wasn't romantic anyway
Did you think you don't mean that much to me
Well, i agree
But i hope that you are feeling alright
Yes i hope that you are feeling alright
Yes i hope that you are feeling alright
Feeling alright
Alright
Alright
Alright
Shining bright when the moon's on me
As i walk below its light
I'm a person who's afraid of the dark
But i'm, but i'm, but i'm not scared tonight
And I'm glad that you're not with me
Yes I'm glad that you're not with me
