Holdin' On

Celsius

I have been wantin' you
For so long
I have been wantin' you
For so long
I been down
I been down a different road
I been out
I have been out of control
Girl, when you touch me back
Yeah, yeah
I get my senses back, yeah
Girl, when you touch me back
Yeah, yeah
I get my senses back, yeah
So now I'm feelin' alright
'Cause nothin' feels like
When you're holdin' on
Said, I feel alright
'Cause nothing feels like
When you're holdin'
When you're holdin'
I'm feelin' alright
'Cause nothing feels like
When you're holdin' on
When you're holdin' on
I wanna treat you
Like you wanna be treated, yeah
I wanna see you
As you wanna be seen, yeah
I been down
I been down a different road
I been out
I have been out of control
Girl, when you touch me back, yeah
I get my senses back, yeah
Girl, when you touch me back, yeah
I get my senses back, yeah, ohh
So now I'm feelin' alright
'Cause nothin' feels like

When you're holdin' on
Said, I feel alright
'Cause nothin' feels like
When you're holdin'
When you're holdin' on
Said I feel alright
'Cause nothin' feels right
When you're holdin' on
When you're holdin' on
Just ay the word
Let yourself go
Let yourself go
...
Let yourself go
