

That Empty Feeling

Ronnie Dove

Here I am with that empty, empty feeling
A feeling that I get from loving you

So here I stand
My heart in my hand
With that empty, that empty feeling
And I'm waiting for the words "I Love You"

Though why do you hurt me
And make this all full of pain
Just when I think I had you
I lose you once again

So here I stand
My heart in my hand
With that empty, that empty feeling
And I'm waiting for the words "I Love You"
(I Love You)
And I'm waiting for the words "I Love You"
(I Love You)
