

Conquer the World

Alkaline

Wi meck it passed a likkle drama
When dem a hackle up dem self wi keep it calmer
Feel like mi can conquer the world now
Feel like mi can conquer the convos
Whole heap a dem mi sell out and turn informer
Man deh yah still, weh dem think mi would a gone?
Feel like mi can conquer the world now
Weh dem a go do now, now, now
When everything...
Dem never rate wi anyway
It too late, way too late now fi dem fight wi
Nothing cyaa work
Weh dem a go do now, now, now
That time catch you
Wi nuh have no time fi speculate
Conquer the world now
One time gone it use to drizzle now it start rain
Dem juvenile yah need fi stop call mi by mi last name
Wi never turn out bad at all big up Shaw-mane
Never rape nobody gyal pickney or get caught up in a the fast lane
Wi know the dawg dem weh just deh round wi fi wa dem can gain
Know the gyal dem weh just a fk mi because mi have name
You might nuh work a back road but you do the same thing
Everytime mi drop you off mi nuh know to me it come like a play thing
Wi know the style, wi know the style, wi know the style
Dem trick wi one time, naw go dweet another time
Wi know the style, wi know the style, wi know the style
One time, one time mi did have more friend than this
One time, one time the world did bigger than this
Stay by wi self nobody nuh too understand this
This never did fi happen so quick
No wi never plan this
Wi meck it passed a likkle drama
When dem a hackle up dem self wi keep it calmer
Feel like mi can conquer the world now
Feel like mi can conquer the convos
Whole heap a dem mi sell out and turn informer
Man deh yah still, weh dem think mi would a gone?
Feel like mi can conquer the world now

Weh dem a go do now, now, now
When everything...

Mi nuh know come like wi in charge a every resident
Wi know the style, wi know the style, wi know the style
Dem trick wi one time, naw go dweet another time
Wi know the style, wi know the style, wi know the style
One time, one time mi did have more friend than this
One time, one time the world did bigger than this
Stay by wi self nobody nuh too understand this
This never did fi happen so quick
No wi never plan this Wi meck it passed a likkle drama
When dem a hackle up dem self wi keep it calmer
Feel like mi can conquer the world now
Feel like mi can conquer the convos
Whole heap a dem mi sell out and turn informer
Man deh yah still, weh dem think mi would a gone?
Feel like mi can conquer the world now
