

Do You Ever Wonder

Blue October

You must be broken
By a thousand ways of wasting time
Get to the point
And off a hundred lines a week
No need to change my mind
A cleaner shade of thinking time
But I seem to think more than I act upon most things.[Chorus]
Do you ever wonder
How hard you hit?
You broke my thunder
Do you ever wonder
How hard you hit?
You broke my thunder
God made this night for me, a silly devil in me talking
Romantic company for walking, Over and out
Over and out
This year is the year I want to be, that silly devil in me talking
Romantic company for walking, Over and out
Over and out
[Chorus] I'm cramped and crawling from
under the dead
I'm sick of living without you in bed
I've made mistakes that I wrote
That I read
But now I just can't seem to be preoccupied
The heart was tossed with a black lace chain
With these hands that I write with
And the ode that I live by
I will never be with you. A scar was sewn
A drop of blood was saved for making wine
Still no repent
On how you crumble when I shake
A mental jaw was used
To pry me from this wrecking bond
The sad detail is all the promises I make.[Chorus]
