

# Liquid Skies (Eternia Audio Lab Mix)

**Kai Tracid**

I'm the voice from the planet of Liquid Skies to bring you the message  
Come closer to the speakers so I can see the light in your eyes  
I'm here to invite you on a journey to a planet of love and freedom  
So relax your body and open your mind to the melody transmission  
The melody is the only way to a shining planet of liquid skies  
Come closer to the speakers so I can see the light in your eyes  
C'mon dance with me and feel the rhythm take over your body  
Follow me to the planet of liquid skies
