

# Nothin' But Trouble

## Trigger Renegade

For the love of a woman, well, many a man  
Has wound up cryin', tryin' to understand  
I've had my share of heartache and pain  
I'm not worried now, I'm not ashamed  
My first time lover I was just seventeen  
We made love and I was lost in a dream  
She said that nothin' would ever go wrong  
I woke up one mornin' guess what? She was gone

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

So many nights I spent alone

Just me and that damn telephone

Holdin' for love but waiting in vain

The same old feelin' and it's drivin' me insane

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

For the love of a woman, I searched high and low

Hopin' that someday I'd be troubled no more

I guess I was wrong in so many ways

Now I'll be in trouble for the rest of my days

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble, trouble

Nothin' but trouble, nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble, yeah

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble
