Ambitious

Djourney

You work all night
And it's really frightening
'Cause you're so ambitiousIt's just a habit
That you have to grab it
You're avariciousI know you'll make it
But I just can't take it
You're so ambitiousNothing's ever going to make you stop
Not even when you've made it to the topYou're a workaholic
It's so hyperbolic
You're so ambitiousYou're so ambitious
You're so ambitious
For the roadYou're a finance wizard
A Stock Exchange lizard
'Cause you're so ambitiousAlways talking deals
Turning cogs and wheels
You're so ambitiousWhat has happened to the girl I knew?
When you're rich and famous you'll just say we're throughYou want a Rolls-Royce motor
And an eighty-foot boat, oh
You're so ambitiousYour satisfaction
Is a new transaction
'Cause you're so ambitiousYour excitation
Is negotiation
'Cause you're so ambitiousYou want a house that's Georgian
And ahead you're forgin'
You're so ambitiousNothing's ever going to make you stop
Not even when you've made it to the topYou're so ambitious
Am-ambitious
You've got a pinstriped suit
A polka-dot computer
You're so ambitiousYour calculator
It says "see you later"
Its voice sounds viciousI know you'll make it
But I just can't take it
You're so ambitiousNothing's ever going to make you stop
Not even when you've made it to the top
