

Private Party

[Michelle Williams](#)

Yeah, yeah, yeah Tell me if it's a crime, maybe I'm wrong
I'm out of my mind, when I see what I want
Come and get it, I'm grown
Don't forget it and I don't mind showing him
I'm so wide open tonight Baby, tonight we can spend some quality time
You'll tell me secrets, baby, I'll tell you mine
You can rest your feet and unwind
For a minute, be mine, for a minute You're so invited to the party
I will cater to you
Make you feel like a man
I can, so come on If you give me your sight, I'll make a move
'Cos I handle just fine, I wanna see what I want, boy
Come and get it, I'm grown, don't forget it
I'll put it all on the table, I'm willing and able tonight Baby, tonight we can spend some quality time
You'll tell me secrets, baby, I'll tell you mine
You can rest your feet and unwind
For a minute, be mine, for a minute You're so invited to the party
I will cater to you
Make you feel like a man
I can, come on I'll do anything I'm not supposed to
And I just hope you're ready
When I approach you, here's your invitation You're so invited to the party
I will cater to you
Make you feel like a man
I can, come on Yeah, yeah, yeah
Yeah, yeah, yeah You're so invited to the party
I will cater to you
Make you feel like a man
I can, come on You're so invited to the party
I will cater to you
Make you feel like a man
I can, come on
