

Run Wild, Run Free

Toyah

Well, I sell my soul to Faust each and every night for you
Rip-roaring drunk I peel my face away for you
It's a lonely time, I've walked from the limelight
Into an empty cobbled street for you... You've gotta live young, die young,
You gotta toughen up,
Run wild, run free.
Can't you see what they did to my god? You're not going to do it to me,
I'm going to run wild, run free.
Catch me if you can,
But remember I'm a woman
I'm devious, I'm small, I'm impeccable
I'm a warrior, I'm immaculate, I'm imperial
I'm unique, I'm inscrutable, I'm going to break free
You steal my pennies, you steal my thoughts
I'm going to break free!
You imprison me, you suffocate me,
I'm going to break free!
I'm going to cut you down, I'll slit your throat
Before you touch me!
I'll get you back before your warm breath
Dost touch me!
I'll slit your throat before your tall eyes
Do see me Run wild, run free
Run wild, run free
Run wild, run free
Get away from me
Run wild, run free
Get away from me
Run wild, run free
Get free from me
Run wild, run free
Get free from me...
