## [UFO Grove](#)

So Gone So Gone so gone thats ufo living we got Stacks that for sure that Make That Ass Clap So Gone So  
Gone So Gone thats ufo living we got stack that for sure to make that ass clap

She up and down on my lap 6 4. herd that kitty go smack when they hit the floor. hit my pocket so much left the  
bitch sore. Redbone cute face look like Theodore. to gone n the strippy, my section fogged out from the pithy.  
strobe lights got my ear on Taylor Swift. make it hurt when you twerk what I tell a b\*\*\*\*\*. straight willin With  
My woes. it's a art how she sliding down that pole. Arch your back while your on ur tippy toes. they do  
anything as long as you flinging dow. gone that's facts still, killing them Mad Max, known 2 front of bill  
Affleck, put that ass on my head fitted cap.

So Gone So Gone so gone thats ufo living we got Stacks that for sure that Make That Ass Clap So Gone So  
Gone So Gone thats ufo living we got stack that for sure to make that ass clap

She on my head like a snapback, made my shit shaboin Rat Pack. you on Cloud 9 I'm past that, think you fly  
than me you get laugh at. throwing rack a her as like a jump shot. f\*\*\* around might eat it like a lunch box.  
about that chicken Thanksgiving, memorize how she moving to the Rhythm. you know we have to turn up my  
v.i.p. smoked out cause we burning up. that's facts not fiction your main chick have a turn to a pigeon. Creo  
b\*\*\*\*\* always tell me that I'm frwesh. it's all about that money nothing less. now I'm headed to the Moon  
make a left. earth bird salty rub it on your chest.

So Gone So Gone so gone thats ufo living we got Stacks that for sure that Make That Ass Clap So Gone So  
Gone So Gone thats ufo living we got stack that for sure to make that ass clap
