

Do It Again

Brian Wilson

It's automatic when I talk with old friends
The conversation turns to girls we knew
When their hair was soft and long
And the beach was the place to go With suntanned bodies and rays of sunshine
The California girls and a beautiful coastline
Warmed up weather
Let's get together and do it again With a girl the lonely sea looks good with your life
Makes your night times warm and out of sight Been so long, been so long, been so long
Hey now, hey now, hey now, hey now, hey now
Hey now, hey now, hey now, hey now, hey now
Hey now, hey now, hey now
