Back To Where I Was

Eric Hutchinson

New life decides to come through the front door
And makes us wish we'd shown respect before
Though I don't have much of a choice
I resolve to regain my voice[Chorus]
If I only just begin to understand it that's because
Everytime I time I start to change my mind again
It gets me back to where I wasNew life we never had a clue
The two of us deciding what to do
Though my hands are all but tied
I rebound so I can say at least I tried[Chorus]And long as I'm allowed I'll change my mind that's what it's for
I'm getting older but I'm still the same I'm just thinking anymore[Chorus]
