

# Back To Where I Was

[Eric Hutchinson](#)

New life decides to come through the front door  
And makes us wish we'd shown respect before  
Though I don't have much of a choice  
I resolve to regain my voice[Chorus]  
If I only just begin to understand it that's because  
Everytime I time I start to change my mind again  
It gets me back to where I wasNew life we never had a clue  
The two of us deciding what to do  
Though my hands are all but tied  
I rebound so I can say at least I tried[Chorus]And long as I'm allowed I'll change my mind that's what it's for  
I'm getting older but I'm still the same I'm just thinking anymore[Chorus]
