

When it Comes to You I'm Lazy

[Danielson](#)

I lay my head on your thighs
And close my eyes
And think of
All of our days
Fast moving months
They pass us by
For me things take time
To seep in, into this mind
All over this place
My opinions fly
We went blind
Into this standing
No pattern to follow
Only, go here now
All over this place
I am not my own
I want to be just like you
And I, I want to be free on my insides
And prefer to raise others
Above, above myself
When you're asleep
I miss you the most
You're already five years
I feel tossed to and fro
All over this place
Playing is calling my name
Papa, papa, papa, papa
Papa, papa, papa, papa
Papa, papa, I am not my own
All over this place
Playing is calling my name
I want to be just like you
And I, I want to be free on my insides
And prefer to raise others
Above, above myself
When it comes to you I? ve been lazy
But now I need you
I put down myself just to hide
Right behind, oh you, you

When it comes to you I? ve been lazy

But now I need you

I put down myself just to hide

Right behind, oh you, you

I want nothing

Of the world in me
