

# Why Not Tonight

[Reba McEntire](#)

Well, pardon me but you have my attention  
Ever since you strolled into the room  
Believe me that it's not my intention  
If I appear to come on too smooth It's not like me to make such advances  
But this time, baby, I could not resist  
So if you're up for taking a chance on love  
I can't see a better time than this So baby, why not tonight?  
This could be the start of something right  
Hey, you can take it easy, we can take it so slow  
We can take it anywhere that you'd like to go So baby why not tonight?  
The stars are out and I'm sure they'll agree  
Oh, it's a perfect night for falling in love  
So, why not fall in love with me? Oh, maybe we could go out for some dinner  
And later on how we could do the town  
Ya know, I consider myself a winner  
Just to have a boy like you around Then if you're up for doing some dancing  
Yeah, I know a place they dance until the dawn  
Anything you like will be alright  
So why not take a chance and come along? So baby, why not tonight?  
This could be the start of something right  
Hey, you can take it easy, we can take it so slow  
We can take it anywhere that you'd like to go So, baby why not tonight?  
The stars are out and I'm sure they'll agree  
Oh, it's a perfect night for falling in love  
So, why not fall in love with me? Why not fall in love?  
Why not fall in love?  
Baby, why not fall in love with me?
