

# Young Hearts

## Commuter

Try to make it last  
Nothing you can do  
In a photograph  
The innocence you thought you lost  
Is staring back at youCHORUS  
Young hearts beat fast  
Driving down the road  
Rubber, plastic, metal, glass  
Why did you have to go?  
Young hearts die young  
When they're all alone  
And there's no turning back nowThere's no turning back  
There's no turning backKnowing where you're bound  
It's coming into view  
Then you turn around  
The innocence you thought you lost  
Is coming back to nowCHORUS [x2]  
Time enough to live  
Never time to die  
All you had to give  
Taken by the one you loved  
And geared into a lieCHORUS [x3]
