

# Love (feat. Taryn Coccia)

## Hosier

You shouldn't have to search for love  
Love will mysteriously one day  
Appear right in front of your eyes  
When you least expect it  
That will be true love

Love that makes you feel better as a person  
And stronger as a whole  
And never  
Settle for less than  
What you know you are worth

And never  
Be afraid to take risks  
And always  
Be adventurous  
Because you never know  
When you'll take your last breath  
On this earth

Rules are meant to be broken  
And never  
Grow old  
With a what if
