

Losin' Myself (12" Masters At Work Version)

Debbie Gibson

Lost all reality, you've really got a hold
Turned myself over to you body, mind, and soul
It might seem crazy and though I'm in over my head
Got no direction and my world is spinnin' 'round
Feel like I'm risin' up and never comin' down
A million people talk but I don't hear a word they say
Don't know what to do, nothin' I can do
I'm losin' myself over you
And it hurts me so right
Can't deny it's true
You know I couldn't fight it baby even if I wanted to
I'm losin' myself over you
Love like the ocean feel it rushin' over me
You are the treasure that I've searched for desperately
The tide it races in, its pullin' me out to the sea
Willingly
You're my celebration boy, the reason I exist
I feel a hundred lifetimes deep within your kiss
Don't say a word just hold me close
I hear your heart talkin' to me
Secretly
Don't know what to do, nothin' I can do
I'm losin' myself over you
And it hurts me so right
Can't deny it's true
You know I couldn't fight it baby even if I wanted to
I'm losin' myself over you
