Feel So Real

Gloria Gaynor

Feel, feel, feelFeel so real
I feel so real
I feel so real
And I owe it all to youOh, I feel so nice
With you here by my side
If I just do the best that I can do
It seems that's enough for youThe little things mean so much
A smile or a joyful touch
That push that keeps me going strong
To know that I belongAnd I feel so real
I feel so real
I feel so real
And I owe it all to youHey, feel so real
I feel so real
Oh, I feel so real
And I owe it all to youLove is such a wonderful thing
The angels sing when freedom reigns
Freedom from the chains
That hold us back from harmonyI'm right here on my knees
To thank you for the air that I breath
I thank you for the life that you have saved
That's why I've got to sayFeel so real
I feel so real
Oh, I feel so real
And I owe it all to you, youHey, feel so real
I feel so real
I feel so real
And I owe it all to youFeel so real
Feel so real
Feel so realFeel so real
Feel so real
Feel so real
