Slow Motion

Matt Wertz

If you got plans, I wanna break 'em
Ain't nothing so important you can't change
Show me the place, and girl I'll take ya
I'll follow your heart beat to set the pace
Let's get this going
So high we're floating
All I'm feeling, all I know isEvery minute wanna getcha, getcha closer
Soak up every second trying to get to know ya
Lets just take our time
We can't hit rewind
World's spinning, don't miss another moment
Every kiss on your lips has got me hoping
We just take our time
Slow Motion
Every breath feels like forever
Every touch is playing on repeat
No such thing as now or never
Me and the moon got nowhere to beEverything around us keeps on moving so fast
I'm just trying to make this last
