

Banned from the Pubs

Peter and the Test Tube Babies

Banned from the pubs get out of this place, banned from the pubs cos we don't like your face.
Banned from the pubs get out of that door, banned from the pubs or i'll call the law.Banned, banned, banned,
cos they don't like punks, banned, banned, banned, they treat us like drunks.Banned from the pubs go on I said
go, banned from the pubs can we have a drink ? No !
Banned from the pubs just get out of here, banned from the pubs no you can't have a beer.Banned from the pubs
go on yer way, banned from the pubs no punks they say.
Banned from the pubs you lot get out, banned from the pubs no punks they shout.
