

# Two

[Ryan Adams](#)

If you take me back, back to your place  
I'll try not to bother you, I promise  
'Cause it's cold in here and I wish it was hot  
The sink's broke, it's leaking from the faucet  
I'm fractured from the fall  
And I wanna go home  
But it takes two when it used to take one  
It takes two when it used to take only one  
Well, my money's no good when I'm up to no good  
No good ever comes from it, honest  
I got a really good heart, I just can't catch a break  
If I could I'd treat you like you wanted me to I promise  
But I'm fractured from the fall  
And I wanna go home  
I'm fractured when I fall  
And I wanna go home  
It takes two when it used to take one  
It takes two when it used to take one  
It takes two when it used to take one  
It takes two when it used to take only one
