

Havana Affair

Ramones

PT-boat on the way to Havana
I used to make a living, man
Pickin' the banana.
Now I'm a guide for the CIA
Hooray for the USA!

Baby, baby, make me loco
Baby, baby, make me mambo

Sent to spy on a Cuban talent show
First stop- Havana au go-go
I used to make a living, man
Pickin' the banana
Hooray for Havana!
