

The Story

Thirty Seconds to Mars

I've been thinking of everything
I used to want to be
I've been thinking of everything
Of me, of you and me This is the story of my life
These are the lies I have created
These are the lies I have created I'm in the middle of nothing
And it's where I want to be
Why at the bottom of everything
I finally start to believe This is the story of my life
These are the lies I have created
These are the lies I have created
I created And I swear to God
I'll find myself
In the end
In the end
In the end
In the end In the end
In the end
In the end
In the end This is the story of my life
These are the lies I have created
These are the lies I have created
These are the lies I have created
These are the lies I have created
