Keep Your Head

Sem Thomasson & Sheldon

The day seems so very long but I'm trying to be strong
Well, hold on, I say, things will soon turn my way
And then I'll have a clear view
But I gotta keepKeep your head to the sky
I don't need to tell you why
Keep your head to the sky
I don't need to tell you whyI sometimes get worried and I wonder why I worry
'Cause I know that I will make it through the storm
I'm tryin not to lose my cool because if in this world I do
The only person that's gonna miss out on everything is me
And I gotta keepKeep your head to the sky
I don't need to tell you why
Keep your head to the sky
I don't need to tell you whyOoh oh oh
Keep your head up
Don't you look down for nobody
Don't you do it, don't you do it
Keep it upKeep your head
I don't need to tell you why
Keep your head
I don't need to tell you whyEveryday's a struggle but struggling to be is very hard, so very hard
Because I'm out here trying to do the right thing
And when I look around here's the wrong thing
Tempting me to make me disagree about how I feel about me
But I gotta keepKeep your head to the sky
I don't need to tell you why
Keep your head to the sky
I don't need to tell you whyKeep your head to the sky
I don't need to tell you why
Keep your head to the sky
I don't need to tell you why
