

Zimbabwe

Toni Childs

What you gonna do Zimbabwe?
What you gonna do Zimbabwe?
What you gonna do Zimbabwe? Zimbabwe is a man who tried
To teach his children what was right
But then there came a time when war
Split the family from inside
He said no fighting no more What you gonna do Zimbabwe?
What you gonna do Zimbabwe?
What you gonna do Zimbabwe? The old man sits and shakes his head
While the multitudes insist
Where is the cause of unity?
Where is the thought that could be peace?
Men gathered in silence the same What you gonna do Zimbabwe?
What you gonna do Zimbabwe?
What you gonna do Zimbabwe? Can there be some peace on earth?
Can there be a love?
Greater than the world we see
Greater than us all
It's the last station home
It's the last station home You ran your heart in those days
When no one could see days
You want to run in the wind You want to go back inside
See no more crime in your lifetime
Zimbabwe, Zimbabwe
No more crime in your lifetime
Zimbabwe, Zimbabwe
Zimbabwe, Zimbabwe Zimbabwe, Zimbabwe
Zimbabwe, Zimbabwe
Zimbabwe, Zimbabwe
