

Mississippi Woman

Denise LaSalle

Verse 1:

Tired of the city life
Costs too much too fast
Used to the older roads
The smell of that country grass
This city is so hi-tech
I don't want to rattle my brain
Lord knows I'm a country gal
I wanna get back from where I came

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
I wanna get back to my blues

Verse 2:

Tired of fast food
Raised on cornbread and collard greens
Chitlins, hog nose, a big old pot of pinto beans
I sang the blues on my front porch
Talk loud, drink and cuss
Without them down home blues y'all
I'm gonna get back on the bus

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
I wanna get back to my blues

I think about it all night long
All night long
All night long
All night long

Verse 3:

I've been all over the world
I've seen almost everything
I've sung all kind of places

People call me the queen
But no matter where I go y'all
I give them something real
People all over the world
Need that Mississippi feel

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues

I talk about it all night long
All night long
All night long
All night long

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues

All night long
All night long
All night long

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues

Chorus:

I'm just a Mississippi woman
I've got Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues

Chorus:

I'm just a Mississippi woman
With that Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues

Chorus:

I'm just a Mississippi woman
With that Mississippi mud on my shoes
I'm just a Mississippi woman
Trying to get back to my blues
