

Caveman Head

Eurythmics

Feel my body breathing in
Touch the softness of my skin
I am very beautiful
I can be so beautiful I am very beautiful
I could be successful My hands are moving
My feet are tied Watch the way my hair falls down
See the way my hair falls down I am very beautiful
I can be so beautiful Touch the softness of my skin
Feel my body breathing in My hands are moving
My feet are tied
My eyes are closing
My mouth is wide I will let you touch me
If you want to touch me
