# Take You Back

## Jeremy Camp

The reason why I stand
The answer lies in you
You hung to make me strong
Though my praise was few
When I fall I bring your name down
But I have found in you a heart that bleeds forgiveness
Replacing all these thoughts of painful memories
But I know that your response will always be
I'll take you back always
Even when your fighting is over now
Even when your fighting is over now
I'll take you back always
Even when the pain is coming through
Even when the pain is coming through
I'll take you back
You satisfy this cry
Of what I'm looking for
And I'll take all I can
And lay it down before
The throne of endless grace now that radiates what's true
I'm in the only place that erases all these faults
That have over taken me
But I know thats your response will always be
I'll take you back always
Even when your fighting is over now
Even when your fighting is over now
I'll take you back always
Even when the pain is coming through
Even when the pain is coming through
I'll take you back
Well I can only speak with a grateful heart
As I'm pierced by this gift of your love
I will always bring an offering
I can never thank you enough
You take me back always
Even when my fighting is over now
Even when my fighting is over now
You take me back always
Even when my pain is coming through

Even when my pain is coming through
You take me back always
Even when my fighting is over now
Even when my fighting is over now
You take me back always
Even when my pain is coming through
Even when my pain is coming through
You take me back
