The Three Of Me

William Bell

[Verse 1]
Last night I had a dream
And there were three of me
There was the man I was
The man I am and the man I want to beIt's not that easy to forget
All the love you had
And looking back on the man I was
Makes the man I am so sad[Chorus]
The three of me, the three of me
I've got to figure out who I want to be
It took losing your love to make me see
Oh, there ain't no room for the three of me[Verse 2]
If that dream comes again
Oh I hope it takes me back
Then the man I was, the man I am
Will just fade to black[Chorus]
The three of me, the three of me
I've got to figure out who I want to be
It took losing your love to make me see
Oh, there ain't no room for the three of meThe three of me, the three of me
I've got to figure out who I want to be
It took losing your love to make me see
There ain't no room for the three of me
