

# Shiny Things

Audrey Ryan

The things a crow puts in its nest,  
They're always things it finds that shine.  
Somehow he'll find a shiny dime,  
Silver twine from a valentine.  
The crows all bring them shiny things.  
Leave me alone you big ol' moon,  
The light you cast is just a liar.

You're like the crows, 'cause if it glows,  
You're dressed to go, you guessed, I know,  
You'll always bring them shiny things.  
Well I'm not dancing here tonight,  
But things are bound to turn around though.  
The only thing I want that shines,  
Is to be king there in your eyes.  
To be your only shiny thing.
