

# Blue Moon

**Bob Dylan**

Blue moon, you saw me standing alone  
Without a dream in my heart, without a love of my own  
Blue moon, you knew just what I was there for  
You heard me saying a prayer for someone I really could care for And suddenly there appeared before me  
The only one my arms could ever hold  
I heard someone whisper, "Please, adore me"  
And when I looked my moon had turned to gold Blue moon, now I'm no longer alone  
Without a dream in my heart, without a love of my own  
Without a love of my own
