Told you never listen, so you go ahead and f**k around.(x2)Verse: I told yall i crush em, i crush em it's nothing
I destroy him and any motherf**ka they lovin
Got my thinking cap on, now im sharp as a blade
Dont believe me you sit there and watch me get paid.
New game homie my next move is always my best move
Stricktigic i show you motherf**ka's my chess move
Believe it im not that rapper nigga you used to
that hammer hit that shell that hollow tip will go threw you.
Contact hop, smoke from the cronic got me fellin damonic, shot one in the head for any nigga that want it.
I prepare for the worst, and wish for the best
