

# I'm Real (remix)

Jennifer Lopez

What's my motherfuckin' name?  
R U L E  
Blowin' back on this Mary Jane  
And I'm analyzin' the game  
And the game done chose me  
To bring pain to pussy niggas and pussy holes  
They one in the same  
Ever since you told me  
There's only room for two  
I've been makin' less room for you  
Now only God can hold me  
Hug me, love me, judge me  
The only man that hovers above me, holla  
I've met so many men  
And it's like they're all the same  
My appetite for lovin'  
Is now my hunger, pain  
And when I'm feeling sexy  
Who's gonna comfort me?  
My only problem is  
Their insecurity  
Tired of bein' alone?  
Yeah, yeah  
Sick of arguin' on the phone?  
Yeah, yeah  
Why you tellin' all your friends?  
Yeah, yeah  
That your nigga don't understand  
My love  
'Cause I'm real  
The way you walk, the way you move, the way you talk  
'Cause I'm real  
The way you stare, the way you look, your style, your hair  
'Cause I'm real  
The way you smile, the way you smell, it drives me wild  
'Cause I'm real  
And I can't go on without you  
Girl, I've been thinkin' about this relationship  
(Relationship)

And I wanna know is this as good as it get  
(As good as it get)  
'Cause we been through the worst times, and the best times  
(The worst times, and the best times)  
But it was our time, even if it was part time  
(Part time)  
Now they been lookin' at me, smilin' at me  
Laughin' like we wasn't happy  
But not knowing that we growin' and we gettin' married  
Hard lovin', straight thuggin'  
(Hard lovin', straight thuggin')  
Bitch, I ain't doin' this shit for nothin'  
I'm here to get it poppin' and hoppin'  
(Poppin' and hoppin')  
Let's ride out in the Benz  
Hair blowin' in the wind, sun glistenin' off my skin  
Hey, I'm nasty, heh, you know me  
But still gonna fuck with your baby  
'Cause I'm real  
The way you walk, the way you move, the way you talk  
'Cause I'm real  
The way you stare, the way you look, your style, your hair  
'Cause I'm real  
The way you smile, the way you smell, it drives me wild  
'Cause I'm real  
And I can't go on without you  
Now people lovin' me and hatin' me  
Treatin' me ungratefully  
But not knowin' that they ain't makin' or breakin' me  
My life, I live it to the limit and I love it  
Now I can breathe again  
Baby, now I can breathe again  
Now people screamin'  
"What the deal with you and so and so?"  
I tell 'em niggas mind their biz but they don't hear me though  
'Cause I live my life to the limit and I love it  
Now I can breathe again  
Baby, now I can breathe again  
Tired of bein' alone?  
Yeah, yeah  
Sick of arguin' on the phone?  
Yeah, yeah  
Why you tellin' all your friends?  
Yeah, yeah  
That your nigga don't understand

My love  
'Cause I'm real  
The way you walk, the way you move, the way you talk  
'Cause I'm real  
The way you stare, the way you look, your style, your hair  
'Cause I'm real  
The way you smile, the way you smell, it drives me wild  
'Cause I'm real  
And I can't go on without you  
'Cause I'm real  
The way you walk, the way you move, the way you talk  
'Cause I'm real  
The way you stare, the way you look, your style, your hair  
'Cause I'm real  
The way you smile, the way you smell, it drives me wild  
'Cause I'm real  
And I can't go on without you
