

Red Nose

Sage The Gemini

[Intro]

Holy Shit

All This Money On Me

Like Come And Take It From A G

But All She Tryna Do Is Get Naked[Hook] (x2)

And she gon' shake it, like a red nose

Li-li-li-li-like a red nose

And she gon' shake it, like a red nose

Like a, like a, like a red nose That booty talkin' to me, what that shit say?

Shake it for the dojo I'm the sensei

Once you wobble, got my song on replay

Almost got her at house, up off Kingsway

I told her shake it like a red nose pitbull

And I'mma keep throwin money 'til your bank full

Cake-cake-cake-cake birthday suit

Damn in a little I'mma forget your age soon

Whoa, ok, now let's do it my way

If she don't go crazy then she walkin' on the highway

And if she don't believe me tell that bitch just try me

Bet you she be shakin' from the club back to my place whoa[Hook] I told her time to go to work, clock in

Go on open up, I'm a locksmith

West side tell them other people stop it

I'm fly, and that's why she headed to the cockpit

Black Money Sage, whoadie I'mma winner

I just play'em like a game I don't press enter

I'm hella raw listen to the way I did'er

I was in'er and her nigga was there makin' dinner

Uh, all this money start movin' and I'mma throw it

She choosin' I got her lookin, hm is it ok?

Black Money we take'em in and then quit it

We shake'em and if she like me it's nothin, ok

Part hard party hard wit' no party fouls

Couple girls in the back wit' some party mouths

Caver her back in, then turn the party out

Shake it like a red nose, time to let em out, whoa[Outro]

All this money on me

All she tryna do is get naked, naked, naked, naked

Like a red nose

Li-li-li-li-like a red nose

Like a red nose
Like a, like a, like a red nose
Like a red nose
Li-li-li-li-like a red nose
Like a red nose
Like a, like a, like a red nose
