You give me some mac and I'm like you're the best  
Straight pimping, ? by the court, ? free the asshole?  
Clapping . the hoe I never mention  
To be clapping the kitchen and she making me grits, ah  
Not to mention she be loving my heads, doll

If you ain't down with the calls, you can ride, ride, ride  
Cause we pimpin, oh, we be pimpin, oh  
We be pimpin, wanna know why the niggers?  
Looking fly nigger cause we pimpin,

Looking fly nigger cause we pimpin, we be pimpin, oho
