

# All Unsaid

## Krezip

If you were here now  
Then I would tell you this is not the way  
Then I would force you  
To make your choices and get out of my way Just scream but there's no one there  
To hear or hold your hand  
I'd rather talk to you than leave it all unsaid  
It's all unsaid, it's all unsaid Don't run away now, it's not my choice  
Don't try to make it feel that way  
Did all I could but your heart is empty  
So I won't let you win Just scream but there's no one there  
To hear or hold your hand  
I'd rather talk to you than leave it all unsaid  
It's all unsaid Hey, if you think I don't mean well  
I can't help you further, no  
Don't have to do it on your own, on your own, no  
How far did you think I'd go, begging you until I die?  
Well, I won't let it come that far, I won't Just scream but there's no one there  
To hear or hold your hand  
I'd rather talk to you than leave it all unsaid  
It's all unsaid, it's all unsaid
