God With Us

Don Moen

Hallelujah the King has come
Beautiful Saviour God's own Son
Hallelujah the Christ is here
To rejoice for our salvation's near
Emmanuel, a humble King
We give you our hearts as an offering
You laid down your crown
It became as dust
Emmanuel, God with us
Hallelujah the angels sing
To certain poor shepherds in fields where they lay
Hallelujah the world will see
The fullness of His majesty

Emmanuel, a humble King
We give you our hearts as an offering
You laid down your crown
It became as dust
Emmanuel, God with us
Oh come all ye faithful our God is here
Joyful triumphant salvation's near
Oh come and behold our King
Come and behold Him
Emmanuel, a humble King
We give you our hearts as an offering
You laid down your crown
It became as dust
Emmanuel, Emmanuel
God with us
