Rasel

If you're feelin' like you want it, baby
Give you somethin' we can both go crazy
I get the feelin' when I look at you
There is nothin' that you wouldn't doYou`re the kinda girl I dream about
Electric eyes and a big mouth
Turn me on, I'll turn you inside out
By the end of the night I'll be with youAy, there's no hurry, baby, take your time
Ay, I'm not giving up until you're mineOyeme, touch you here
I'll touch you there
Oyeme, I want to touch you everywhere
Oyeme, let's just take it all the way
Oyeme, oyemeIn the quiet of a darkened room
Under the influence of your perfume
There is nothin' that I wouldn't do
Let me keep you up all through the nightAy, there's somethin' in your eyes, I can't describe
Ay, I'm not given until you're mineOyeme, touch you here
I'll touch you there
Oyeme
I want to touch you everywhere
Oyeme
You're so beautiful I swearOyeme, oyeme
Oyeme, listen to the words I say
Oyeme, let's just take it all the way
Oyeme, till the night becomes the day
Oyeme, oyemeAy, there's no hurry, baby, take your time
Ay, I'm not giving up until you're mineOyeme, touch you here
I'll touch you there
Oyeme, I want to touch you everywhere
Oyeme, let's just take it all the way
Oyeme, oyeme
