Dream Vacation

Christy Carlson Romano

I'm cutting school today
I'm gonna get away
I'm leaving now to precise
Don't that sound nice?
In a place warm and breezy
A little piece of paradiseDream vacation
It's summer time and we're having fun
Dream vacation
It's party time for everyoneLiving hour outside
Splashing in the ocean's tide
Or just relaxing in the sun
And now we're gonna spend
Sometime with our new friend
Who knows just might be the oneDream vacation
It's summer time and we're having fun
Dream vacation
It's party time for everyoneWalking on the beach at night
Holding hands, it feels right
Looking for a shooting star
Break up that guitar(I wanna dream vacation)Dream vacation
It's summer time and we're having fun
Dream vacation
It's party time for everyoneDream vacation
It's summer time and we're having fun
Dream vacation
It's party time for everyoneDream vacation
Summer time and it's just begun
Dream vacation
Summer time and we're having fun
