No Compliance

Delain

It feels so dangerous I don't know where you are You can't control my every move Although you try so hardAccept it, leave it Your wisdom doesn't make me wise Accept it, leave it Your tears don't make me cryRipped apart, lay me to waste I know your fears, I feel your pain Running away, through a spinning maze Running away, to the same escapeNo compliance, your boundaries suffocate My lungs are filled with poison in your cage Bruises and stains, no power left to stand You held me down, help me rise againIt feels so dangerous I don't know where you are You can't control my every move Although you try so hardAccept it, leave it Your wisdom doesn't make me wise Accept it, leave it Your tears don't make me cryNo compliance, your boundaries suffocate My lungs are filled with poison in your cage Bruises and stains, no power left to stand You held me down, help me rise again
