True Love

Sarina Paris

I'm giving up
I'm giving up
I'm giving up the feeling
Do I take it or leave it
I'm giving up the feeling of the mystery of love
I'm giving into my imagination
Or are you true love for me
True love for me
True love for me
True love for me
I've looked everywhere
Oh but you're not there

On the other side I will find
Secrets come alive
My heart aches
So I wait
Love will find it's way to me
Smoke gets in my eyes
Everytime I try
To deny the feeling
I keep deep inside my soul
I dont know
Where to go
Love will lead me to my home
