# Always

## The Answer

I packed my bags
Moved out of town
On my own againI learn to live
Live off this land by my feet
You always on my mind
You always on my mind
But that's just fineOohYou know I travel far
Growing my hair
Hair over all my eyesI just pick my star
And start back again
But I don't know what to say
And I don't know what to do
Without youYou were always on my mind
(Always on my mind)
You were always on my mind
Oh no, that's just fineFind my soul, leave it alone
Won't you rescue me
Or take me to home now?
At last I come, come back
And ready to fade awayTil' now
You were always on my mind
(Always on my mind)
Woah ohowYou were always on my mind
Woah ohow
You were always on my mind
(Always on my mind)
Ooh owYou, always on my mind
Oh no, that's just fine
Oh no, that's just fine
Oh no, that's just fine, hey
Yeah, yeah, that's just fine
